

Steps to a Healthy Home

A FREE LEAD PAINT HAZARD REMEDIATION PROGRAM

Submit your Application

Applications will be accepted via mail, phone, or online.

1

Schedule an Appointment

If you are eligible, you will be contacted to schedule your home assessment.

2

Home Assessment

Our team of licensed and bonded professionals will assess your home for lead paint hazards.

3

Relocation Arrangements

If needed, we will make all arrangements for your temporary housing/relocation, just in time for repairs.

4

Repair Day

Our contractors will come to repair your home from any lead paint hazard.

5

Final Inspection

Our inspector will visit to conduct a final inspection to confirm all lead paint hazards have been removed.
